Bertazzoni signature low edge drop-in cooktops put Italian design and precision at the heart of your kitchen. As beautiful as they are practical, they sit almost flush with countertops and cabinets.

The combination of 5 burners and cast iron contour grates let you cook like a professional. The grates are designed for maximum space to fit pots and pans of different sizes with ease. Boil pasta, sear meat or stir fry with a wok on the power burner with dual ring flame; or delicately melt chocolate or warm cream on the simmer burner.

Cleaning up afterwards is easy, thanks to the seamless one-piece stainless worktop with no gaps, joints or fasteners.

Safety is designed-in with the 100% fail-safe thermocouple technology. It instantly shuts off the gas if the flame goes out, offering peace of mind and protection for your family and home.

Designed and manufactured with pride in Italy, Bertazzoni signature rangetops are designed with pride in Italy and covered by an industry-leading 2-year parts and labor warranty.
